Women's \$16.50 and \$18.50

## Winter Suits, \$10.98.

A hundred and twenty-five suits at the saving indicated.

These represent our collection of sample suits from at least a half a dozen makers, and their best work in style, material and values; at sale price making extraordinary bargains.

Every one is all-wool. The cloths are in dark, medium and light-color tweeds, mixtures and zibelines.

The jackets are neatly shaped, mostly in collarless effect, and lined with guaranteed satin.

Skirts are 7 and 9 gores, flared and killed.

The workmanship on these is exceptionally good. All seams are bound and finished.

Not a single suit in the lot could be bought in the regular way under \$16.50—mostly \$18.50. But they cost here \$10.98 each. Second Floor.

## Stockings, 18c. pair.

"Seconds" of 25c. and 35c. Stockings Made Practically Perfect.

The goods were mended instead of being sold as "seconds," because the imperfections were so slight as to injure the stockings only for sale—not for wear.  
The little breaks will be hard to find.  
The mending was done in the factory by experts.

They are fast black, full regular made; some with white feet. All have spliced soles, heels and toes. A good many pairs of lisle stockings in the lot.

Rare bargains for women who come before the lot is gone.
